Subject Letter No 302 of the 20th June 1904 from the Principal, Central College Requesting sanction to a sum of Rs 1, being the excess amount incurred over and above the contingent grant on account of the purchase of certain furniture required for the College

The annual contingent grant for the college amounts to Rs 1,400 as follows —

1) Rs 400, ordinary contingent expenses
2 " 1000, contingent expenses for the physical and chemical laboratories

Rs 1,400

The Principal states that an excess expenditure of Rs 1,400 already incurred, cannot be met from the contingent grant for 1904-05 as it will not be adequate even for meeting the contingent charges of that year He therefore requests

that the amount may be ordered
to be paid from savings in the
current year's General State
Fund Budget

The Comptroller may perhaps be consulted as to whether there are Savings to meet the charge and if so under what head or the charge ~~?~~ be sanctioned and the Comptroller authorized to include it in his annual appropriation Statement

Statement, it is not possible for me to point out any saving, as the whole grant of the Education Department is under the control of the Inspector General of Education.

Since the charge in question does not appear to have been found for necessary provision for it may be included in the Budget for 1904-1905 (vide Rule 22 Part I Chapter II of the Financial Rules)

In this case, Mr Cook has acted in clear contravention of the Financial Rules which require the previous sanction of Government before an fresh expenditure is incurred He has purchased 14 almirahs, 3 chests of drawers and 20 reversible desks costing in all Rs1 400, for the use of the Central College and has applied for payment of the amount The usual Budget allotment of Rs1,400 for ordinary and Laboratory contingent expenses leaves no margin for recouping this excess expenditure and as an exceptional case, a special grant of Rs-1,400 may be given as an addition to the Budget of the next official year Mr Cook will be warned against anticipating sanction of Government in the future The Councillors are in favour of giving this grant

To L Anantasamma Rau Esquire Ba

offg Secretary to the Govt of

HH the Maharaja of Mysore

Sir,

I have the honor to request that Government may be pleased to sanction as a special case from the Savings of the general budget for the State for 1903-1904 the excess expended by me over the Contingent allotment for the current official year, namely Rs 1400|- on the following very urgent requirements to the College

Physical chemical & Geological Laboratories

- Hall 2 almirahs
- Chemistry lecture Hall 3 almirahs
- Geology lecture 3 almirahs
- class 2 new Laboratories 4 almirahs

} 12 x Rs 50| = Rs 600

- 3 chests of drawers for above @ 100 Rs |- = Rs 300

Carried over Rs 900|-

Brought forward Rs 900|-

Library 2 almirahs @ Rs 50|- 100|

Senior 7a 5 Iron Reversible desks
Junior 7a — do —
Sixth Form A — do —
Sixth Form B

20 × Rs 20| each 400|

Total Rs 1400

With the new extended Laboratories and recent purchase of new apparatus &c it was found very necessary to provide more almirahs and chests of drawers The addition of these has considerably improved the appearance of our Laboratories

Annual additions to the Library have increased it very much and hence the need for the supply of two more almirahs

The two 7A. and the two Sixth Form classes have always been the largest of our classes and Students are greatly inconvenienced for want of more furniture These classes now contain iron Reversible desks and to preserve uniformity

and neat appearance it was highly desirable to provide them both with reversible desks

19/7/41 As no special grant was asked for for many years past for furniture &c and as it is quite impossible to recoup this excess expenditure from next official years allotment it being quite inadequate for next year's requirements I earnestly beg that Government may be pleased to sanction this small additional outlay for the College from the savings of the current official year's general budget for the State

I have the honor to be
Sir
